

CENTRAL PENN COLLEGE **KNIGHTS**

2019-2020 FALL MEDIA GUIDE

- Dr. Linda Fedrizzi-Williams,
Central Penn College's 10th President

Our tradition of preparing students for careers and advancement, in their fields of study, is more relevant now than it ever has been. So is the need to provide opportunities to our students.

For my part, I pledge to do all that I can, to make Central Penn College a remarkable institution that proves to be a game changer for anyone who wants to complete their degree here. Together, we will continue to share with the rest of the world, the true greatness that is Central Penn College!

Thank You

The East Pennsboro community is a huge part of the success of the Central Penn College soccer program! Whether you have joined the KABC, hung a banner or have shown your support through the Media Guide or our fundraisers. We thank you.

We love seeing you at the games and knowing you follow us online or through our social media when you can't make it to the game. For more information, please visit www.knightsathleticsfund.com If you would like to be in next years Media Guide or have a question or idea for Knights Athletics, please email us at cpc_support@knightsathleticsfund.com

We welcome your suggestions!

DUSTIN WISE
MEN'S HEAD COACH

I just want to thank you for coming out and supporting the Central Penn College Knights Men's Soccer team.

We're proud of how quickly this program has risen after just forming a few years ago but even more excited about the future that we are headed towards.

Your support is the gasoline that fuels this ride and from the team and myself, thank you!

Let's go Knights!

CLUBS & ACTIVITIES

DEVELOP LEADERSHIP SKILLS OUTSIDE THE CLASSROOM.

Central Penn's small size makes it possible for everyone to participate in student clubs. Students find that getting involved helps to develop leadership skills and it looks great on a resume. With the various clubs Central Penn offers, students are sure to find something that will suit their interest. Don't see the club you were hoping for? Interested students can form their own club though the Student Government Association's approval process.

If you have a question about any clubs or activities at Central Penn College, please contact our Activities Director at AdrienneThoman@CentralPenn.edu.

KABC WALL OF FAME NATIONAL ALL ACADEMIC TEAM

Athlete must be selected by the National Governing affiliation through its internal process.

Qualifications: The Knights Wall of Fame is established to recognize individual Central Penn College athletes excelling nationally in their academic and athletic career and selected by its national governing affiliation such as USCAA, NCAA to the National All-Academic Team or its Sport's All-American Team.

USCAA National All-Academic Team Guidelines:

- All student-athletes with 24 or more credits on their USCAA transcripts shall be eligible for the National All-Academic Team.
- Overall (cumulative) grade point averages must be 3.50 (on a 4.00 point system) or greater.
- GPA's must be documented by way of an unofficial school transcript.

Dear Knight Nation,

On behalf of Central Penn College and our student athletes, I want to extend a big "Thank You" for all of the support and dedication you have shown to our programs.

Athletics at Central Penn are geared to complement our academic programs, and we believe that they are a vital part of the educational process and student experience.

My goal as Athletic Director is to engage students in a positive, life-changing experience through athletics. The everyday challenges in competition can bring out one's true character and exemplify the importance of teamwork. This is something we desire to instill in our athletes, as it helps benefit their educational endeavors and enables them to achieve greater success in their future careers.

Our student athletes truly embrace what it means to be a Central Penn Knight! I couldn't be prouder of our athletes and their ability to balance classes, work personal obligations and athletic responsibilities to represent our institution. If you think you have what it takes to become a Knight, please complete the recruiting form at centralpennknights.com or email my office at [Athletics@centralpenn.edu](mailto:athletics@centralpenn.edu).

I look forward to seeing the support of our sports teams at Central Penn continue to grow. I encourage you to get out and cheer on our student athletes. They represent the best of our community and what it truly means to a part of the Central Penn College family.

As always, Go Knights!

Kasey Hicks, Athletic Director
Central Penn College

UBALDO MURILLO
WOMEN'S HEAD COACH

The team is working together. That is what is allowing our offense to be successful. Although there are a few things we can improve upon, I am very happy with how the team transitions quickly from defense to offense. This is due to the communication on the field and the players understanding each other's strengths and the game.

We are very lucky to have playmakers who understand how to create these opportunities and are very coachable. The coaching staff also allows the players to provide feedback during and after the game, which enables us to make the proper adjustments. The three returning players and the recruitment process has definitely played a big part in our success so far.

Let's go Knights!

The mission of the Knights Athletic Booster Club is to financially support and enrich the Central Penn College Athletic experience. The Club was established to encourage community participation and to raise funds to enhance and expand the Men's and Women's athletic programs at Central Penn. We believe that support from alumni, parents, staff, and coaches are key to the success of each student athlete.

CENTRAL PENN COLLEGE EDUCATION FOUNDATION

SUPPORTING EDUCATIONAL OPPORTUNITIES FOR DESERVING STUDENTS.

Our goal at the Central Penn College Education Foundation is simple: encourage giving from our alumni, community, corporations and other organizations, so that more deserving students can graduate from Central Penn and make their own contributions to society.

The Central Penn College Education Foundation prides itself in helping students reach their potential. By eliminating or minimizing the boundary established by the cost of higher education, more students are able to succeed.
